

## **Liqui Moly “Tech Assist” Support at Refreshment Stations**

Since agreeing to come on board as a “loyal partner” to the Sabie Xperience 2018, **LIQUI MOLY** have been awesome in their support for the event.

All riders will enjoy chilling out on the verandah at Floreat Riverside Lodge swapping “war stories” while their trusty bikes get **washed FOR FREE – sponsored by LIQUI MOLY!!!**

**How cool is that?**

And just this week we received five boxes of their **amazing products for goody bags – FREE to ALL RIDERS!**

And 6 fantastic **hampers of their products to LUCKY DRAW RECIPIENTS!**

But that’s not all – at 2 or 3 of the Refreshment Stations each day there will be table labelled **“TECH ASSIST”** with a number of selected **LIQUI MOLY** products to help you **fix your punctures and clean/lube your** bike before tackling that next section to the next Refreshment Station or the Finish. That – is **SUPERCOOL!**

I am sure all of you are going to be very grateful for the very generous sponsorship which **Melicia and her “well-oiled” team from LIQUI-MOLY** have given us. Much appreciated.....

**Dennis and Denzil Lawrie.
