

# Sabie Xperience 2018

## Solo Challenge, Team Lite and Xtra Lite

### MTB Stage Race

#### 6 – 8 April 2018

### Team Lite - Day 2 Route Summary: Saturday, 7 April 2018

(This route is subject to change, as at 17 March 2018)

### *“High Altitude Day: Long Tom Falls - Your Lungs will burn”*

#### Summary:

The start and finish will, as usual, be at the Floreat Riverside Lodge. (S 25 5.492' / E 30 46.298')

The direction is again the same as 2017. After reaching “The Oaks” Refreshment Station after a fast 12km warm-up along the Sabie Valley floor, the Team Lite riders will now be following the Solo riders on a new “Mbabala” (Bushbuck) Loop under the pines, and be challenged to climb an initial 150m in ascent over 3,5km before they reach the base of the 4km HKK climb up to the King/Queen of the Mountains at 1588m, and the Misty Mountain Refreshment Station at 20km.

From there, after a recovery ride through the “Awesome Indigenous Forest” the route tips downwards for 3,5km in a “Fast and Furious” descent back to “The Oaks” at 29km, where the Refreshment station can be visited for a second time.

The next section is fast. Be careful of vehicles using the road until a turn to the left joins into the Fun Ride route where slower riders may be encountered. Pass with care. The next Refreshment Station will be at at 36km, at an elevation of 1379m above sea level.

From here it is all fun, fun, fun along a series of single tracks, bridges, Lake Olaf Floating Bridge and the Riverside Single Tracks, Merry Pebbles and to the finish at Floreat Riverside Lodge. But be aware and careful slower Fun Riders ahead and possibility of very fast riders from behind in the last few kilos.
