Hear Ye! Hear Ye All! -
Some more good news!

Free Bike Wash and Product Partner Sponsor.

Thank you to Liqui Moly (South Africa) CEO Melicia Labuschagne has confirmed that her team will be providing a FREE bike wash each day for Land Rover Sabie Xperience Stage Race entrants each day after the finish, so that you can just chill out on the Floreat Riverside Lodge verandah, sipping beers, cooldrinks and milkshakes while your trusty MTB gets the necessary attention after a tough day on the trails.

They will also be sponsoring some product for the goody bags, and provide excellent support regarding their wonderful range of BIKE products.

We sincerely trust that this relationship will prove to be beneficial to both Liqui Moly and the event in 2018, and possibly for many years to come.

We will constantly be updating the www.sabiexperience.co.za website over the next few weeks with information regarding this and other breaking news.
